To whomever it may concern:

Enclosed please find a Marriage License form to be used for applying for a Marriage License in the State of Iowa. Both individuals must complete the form and sign the form before a Notary Public. Also a witness who knows both individuals (can either be a relative, friend or co-worker) must complete the back of the form and have their signature notarized. The complete and signed form must be returned to the Sioux County Recorder's Office in the enclosed envelope with the fee of \$35.00 (which also included a certified copy after the marriage takes place). Please complete the enclosed Marriage Certificate Address form with your address and daytime phone number to have a certified copy sent to you after the ceremony. After I receive the Application back in my office, there is a waiting period of 3 working days before the license will be valid and issued. Either individual may pick the Marriage License at the Sioux County Recorder's Office when they are back in Sioux County for the wedding ceremony. If you there are any further questions, please feel free to call the Sioux County Recorder's office at 712-737-2229 or e-mail me at anitavb@siouxcounty.org.

Thank You.
